

HEAL & SON'S BEDDING MANUFACTORY

THE peculiar feature of their Establishment is, that it is confined exclusively to the Manufacture of Bedding, and consequently they are enabled to keep the largest stock and greatest variety of any House in London, including their

FRENCH WOOL MATTRESSES,

Of which they were the Original Introducers: these Mattresses are made of the finest materials, quite equal to the best made in Paris. Also,

GERMAN SPRING MATTRESSES.

These HEAL and SON have succeeded in greatly improving, and are selling at a much lower price than any other house, and can recommend one of them, with a FRENCH MATTRESS on the top, as a permanently elastic, soft, and most luxurious Bed.

THE EIDER DOWN QUILT,

also, is to be seen *only* at their House. It is the warmest, the lightest, and the most elegant covering ever introduced, suitable to the *Bed*, the *Couch*, or the *Carriage*. All who have travelled on the Continent are aware that no covering produces such extreme warmth with the same weight; so that for Invalids they are a perfect luxury. Their

BED FEATHERS

are also PURIFIED BY STEAM, WITH PATENT MACHINERY, by which the offensive properties of the quill are evaporated and carried off, without subjecting the Feathers to the unpleasant smell of the stove, to which all Feathers dressed in the ordinary way are liable.

OLD FEATHER-BEDS re-dressed by this process are perfectly freed from all impurities; and, by expanding the Feathers, the bulk is greatly increased, and the Bed consequently rendered much fuller and softer, at 3d. per lb.

OLD AND MOTHY MATTRESSES effectually cured and re-made.

Every description of BLANKETS, QUILTS, and SHEETINGS.

HEAL AND SON'S LIST OF BEDDING

CONTAINS FULL PARTICULARS OF

Of every description of Bedding, and is so arranged that purchasers are enabled to judge of the articles best suitable to make a comfortable Bed.
